

Bread or Stones Campaign - Children's Sabbath

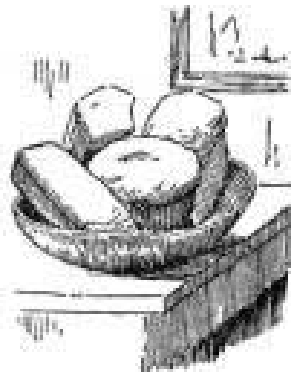

On this Children's Sabbath, the Louisiana Interchurch Conference extends the invitation to you to join in the work to covenant with other churches and individuals in our state. We are asking that you act on our moral obligation and common concern to improve our children's health, reduce their poverty, support their families, and help them to stay in school. By serving our children we are serving God most tenderly.

Commit to improving child well-being through:

- Service: Develop programs that help our children and their families.
- Education: Inform your congregation, neighbors, friends and your family about the needs of our Louisiana children and the resources available to families to meet them.
- Citizenship: Encourage Ideas, programs and new legislation that help our children and their families.
- Community: Join with local groups serving children and their families.
- Get involved and make the difference in a child's life here in Louisiana.
